Jan. 2016 Club Meeting

1. Holiday / 25th Anniversary party

This was the holiday party / 25th anniversary party for the club, so we did not have an ordinary meeting. Party was held at the Tap House Grill with plenty of food, home brew, and draught beers.

2. Pub crawl 1/28

Pauly has organized a pub crawl for Saturday, January 28. Stops will be Buckledown, Blue Nose, Skeleton Key, Exit Strategy (possibly), and Alter. Get \$35 to the Pub Crawl Poobah soon if you want a spot. Fee includes bus, water, snacks, and gratuity for driver. Pickup will be at Durty Nellie's and Northbrook.

3. Book club

The next Club Wort book club will be "But What if We're Wrong?" by Chuck Klosterman, held in March 2017. Newsletter editor has read this book. Each chapter is interesting for the first five minutes and then launches into obsessive navel-gazing. But Klosterman is always a very divergent thinker.

4. Bill Morgan!!

As most club members know, Bill Morgan is abandoning the Land of Lincoln to return to his native Michigan for a new job. I loved talking with Bill about the Squidbillies and other degenerate pop culture, including but not limited to alternative uses for Land O' Lakes butter packages. Screen Shot 2017-01-16 at 8.59.00 AM Oh, and his beers were awesome. Bill will be missed very much.
